Dear Hon. Sterling:

I represent defendants in the above-entitled action. Defendants have served motion to dismiss, Plaintiff has served opposition. As well, Defendants have served a reply and Plaintiff has served a sur reply. As such, the motion is fully briefed.

Both sides would like oral argument on said papers and respectfully ask the Court to schedule a date for argument. Offhand, dates that are good for both sides are in second half of February, 2012, or thereafter.

Also included herein are hard copies of the papers.

Very Truly Yours,
